You know why your library is important to you. Now is YOUR chance to let others know!

Mississippi's Libraries need YOUR support now more than ever. Lawmakers are currently making decisions that could adversely affect funding to YOUR library and programs and services that YOU and YOUR FAMILY rely on.

Please take a moment to share how you feel about YOUR library. Fill out a postcard with YOUR library story to lawmakers who may not understand the value of the library to our community. We will help you address the card and you just put a stamp on it and drop it in the mail, or you can email it.

Take a moment to let your voice be heard about the value of YOUR library!
